September 27, 2018

Dear Friend,

As you are aware the Centre for Cultural Resources and Training (CCRT) in its pursuit to integrate cultural inputs in pedagogy, trains in-service teachers/teacher educators/ educational administrators and students throughout the year in its various training programmes.

The CCRT after successful participation of the teachers in the Orientation Course(s) and Workshops on 'Role of Puppetry in Education' issues an Educational Kit/Puppetry Kit consists of audio-visual and publication material to the represented schools, free of cost.

In order to maintain contact with trained teachers and to monitor the work done by them in their schools and other places, the CCRT interacts with them, with a view to evaluate their performance. The main sources of the feedback from the teachers are:

- bi-annual reports
- refresher courses
- feedback meeting
- visits to schools

We would like to inform you that you have been selected to participate in the Refresher Course on "The Heritage of Creative Puppetry" from December 10-15, 2018 at CCRT Regional Centre, 03-B, Ambavgarh, Near Swaroop Sagar Lake, Udaipur - 313001, Rajasthan Phone: 0294-2430764, Fax: 0294-2430771, Email: certreud@rediffmail.com

The Objectives of the Refresher Course are :-

- to obtain feedback on use of puppetry kit in schools.
- to draw inferences from the experience of trained teachers.
- to explore possibilities on use of puppetry kit in classroom teaching.
- to suggest follow-up activities to be undertaken in schools.
- to motivate teachers to propagate cultural education in schools as well as in the community.

Discussions, talks/lectures/lecture-demonstrations with special emphasis on cultural education in schools are organized during the Refresher Course to give fresh ideas to trainees on introducing cultural components in education. It also provides an opportunity for participants to interact with each other and to address the problems while using the educational kit in school(s). find solutions and give feedback to the CCRT.
